

Doesn't everyone deserve the opportunity to connect?

Sign up for the Rogers Connected for Success Internet Plan that's right for you

The Rogers **Connected for Success™** program brings more Canadians online by offering reliable internet at a great price.

- Connected for Success offers high-speed, low-cost internet across Ontario to subsidized tenants, seniors and to individuals receiving disability and income support.
- If you are a recipient of Ontario Disability Support Program (ODSP), Ontario Works (OW) or Guaranteed Income Supplement (GIS) you may be eligible for Connected for Success.
