

## *Learning Skills for Life!*

### Registration

Each student that applies will have a meeting to discuss program details and eligibility criteria.

If you are not able to bring your child to class, it is still possible to participate.

There is no cost for this course.

For information, or to book an appointment to register, please call  
(905) 438-0570  
or email

## **Raising Healthy Children**

[www.con-ed.ca](http://www.con-ed.ca)

## Program Details

- ❖ The goal of the program is to help parents and caregivers learn about child development and new parenting skills.
- ❖ Bring your child to class and have the opportunity to participate in an Early Years Program, in partnership with the YWCA and YMCA.
- ❖ Earn a high school credit. Options include HPW3C (Working with Infants and Young Children) or HPC30 (Raising Healthy Children).
- ❖ Options for on-line or Learn-at-Home assignments are built into the class.
- ❖ This program is available during each 9 week semester at the Oshawa Campus, 850 King St. W., Unit 26, Oshawa.

# Raising Healthy Children Program

Connect with Early Years Program Staff and Parents in Your Community!

## What will participants learn?

- ❖ Help your child learn to talk, play and read;
- ❖ Learn about child development;
- ❖ Gain knowledge about new parenting skills;
- ❖ Get answers to your questions;
- ❖ Establish links to Early Years programs;
- ❖ Learn about outreach activities in the community;
- ❖ Gain access to resources to support your child's growth and development.

Interactive experiences are a great way to learn!

Fun activities support child development.

Meet new parents and caregivers.

Help your child learn to explore.
