MATH PROGRAM (July 6 - 10 & July 13 - 17)

This two-week summer program is designed for students who would benefit from additional practice and assistance to ease their transition into Grade 7, 8 & 9 math. Students will participate in engaging lessons to meet their individual needs and learning styles.

LITERACY PROGRAM (July 6 - 10 & July 13 - 17)

Students can be initially engaged in reading by focusing on their comprehension and enjoyment of a given story, poem, blog, or news report. Fundamentally, balanced literacy revolves around two primary strands, a reading strand and a writing strand, each of which mirrors the other. Engaging lessons will be provided to ensure all students' needs and learning styles are met.

FRENCH IMMERSION LITERACY PROGRAM (July 6 – 10 & July 13 – 17)

To support French Immersion students, a focus on oral communication skills will provide a strong foundation for developing reading and writing skills. Students will be provided with opportunities to engage in speaking and listening activities as well as, reading and writing tasks in order to build their literacy skills.

A student may register for one of the following options:

Math Program	July 6-17
Literacy Program	July 6-17
Math & Literacy Program	July 6-17
French Immersion Literacy	July 6-17
French Immersion Literacy & Math	July 6-17

CODE OF BEHAVIOUR

Continuing Education aims to provide a safe and welcoming remote learning environment for its staff and students. To achieve this, all members of the school community will:

- Contribute positively to the Christian climate of the school
- Respect others and the property of the school
- Co-operate in a positive manner in observing and complying with the regulations of the school
- Accept responsibility for their own learning, choices and actions
- Use language respecting the dignity of others

Students who fail to comply with the above expectations may be asked to leave the summer program.

Acts of Violence that threaten the safety of other students and staff will not be tolerated.

Examples of acts of violence include:

- Threats of serious physical injury
- Extortion or robbery
- Hate speech
- Possession of weapons or other dangerous materials
- Any hate motivated violence

Actions which involve violence in any of these forms will always have serious consequences.

These will include:

1. Police involvement
2. Removal from Continuing Education Programs

* The information in this application will be used for purposes consistent with the Education Act and the Municipal Freedom of Information and Protection of Privacy Act.
