“I never gave up, I never quit, I always knew the value of having a high school diploma. I, like many others just went down several different avenues before finding the avenue that worked for me. I got married, had two beautiful children, bought a new car, traveled and was enjoying life. However, there was something that I kept a secret from many people in my life; I did not complete my high school diploma. I am so glad that I connected with Archbishop Anthony Meagher Catholic Continuing Education Centre. They supported me in completing my goal, which was to graduate from HIGH SCHOOL!! I am thankful for the support of the teachers through this process. We all have our own journey; I am GLAD I made it to the finish line, I am so glad I never gave up.” —Akua N

Prior Learning Assessment & Recognition (PLAR) for Mature Students

Assessments for
High School Credits

What is PLAR?

Prior Learning Assessment and Recognition (PLAR) is the formal evaluation and credit granting process whereby mature students may obtain credits for prior learning. Prior learning includes the knowledge and skills that adults have gained, in both formal and informal ways, outside of secondary school.

"I was unsure about coming back to school. Thankfully, PLAR allowed me to gain credits through life and work experiences. I attended day school and picked up the remaining credits I needed to graduate. Staff have been helpful throughout my journey. It is truly never too late!" —Chris

The PLAR process for mature students involves:

1. Individual Assessment/Equivalency (Grade 9/10 credits)
2. Equivalency (Grade 11/12 credits)

Who can apply for a PLAR Assessment?

A mature student who is:

1. At least 18 years old on or before December 31 of the school year
2. Enrolled in an adult credit program for the purpose of obtaining an Ontario Secondary School Diploma
3. Out of school for a period of at least one year before returning as an adult

What supports are available for PLAR?

1. Students who are registered in Adult Day School at the Ajax Campus or Oshawa Campus can request to meet with a Guidance Counsellor to have a credit assessment.
2. Students who need help to prepare for the Grade 9/10 PLAR assessments can receive support from the Adult Upgrading (Literacy and Basic Skills) Program or register for day school PLAR classes to gain the knowledge and skills needed to earn Equivalency credits.

Is there a cost?

There is no cost for the PLAR Assessment or for the supporting PLAR sessions once a student is registered in day school classes or correspondence courses.
