What is PLAR?

Prior Learning Assessment and Recognition (PLAR) is the formal evaluation and credit granting process whereby mature students may obtain credits for prior learning. Prior learning includes the knowledge and skills that adults have gained, in both formal and informal ways, outside of secondary school.

The PLAR process for mature students involves:

1. Individual Assessment/Equivalency (Grade 9/10 credits)
2. Equivalency (Grade 11/12 credits)

Who can apply for a PLAR Assessment?

A mature student who is:

1. Turning 18 before August 31st of the current school year
2. Enrolled in a credit program for the purpose of obtaining an Ontario Secondary School Diploma

What supports are available for PLAR?

1. Students who register in a credit course or program can request to meet with a Guidance Counsellor to have a credit assessment.
2. Students who need help to prepare for the Grade 9/10 PLAR assessments can receive support from the Adult Upgrading (Literacy and Basic Skills) Program or register for the Fast Track Program to gain the knowledge and skills needed to earn Equivalency credits.

Is there a cost?

There is no cost for the PLAR Assessment once a student is registered in a credit course or program.

“I am 54 years old and I’ve been out of school for almost 40 years. I have always wanted to get my high school diploma. I’ve looked into it over the years, talked to a few people, but it’s never been the right time. After speaking to the PLAR assessor, she made me believe that I could do it. After discussions with her, I dove in, completed my first course and I feel better than I’ve felt in years. I couldn’t have done any of this without the staff at Archbishop Anthony Meagher CCEC.” — Kim

The dual credit program is a learning experience that no student or lifelong learner should pass up. The teachers are wonderful mentors who share a wealth of knowledge and made it fun. I really feel lucky to have been a part of this learning experience and will always treasure it.” — Helen

What is the Adult Dual Credit Program?

The Adult Dual Credit Program assists adult learners in the completion of their Ontario Secondary School Diploma and leads to successful transition to a college or apprenticeship program. Students who are accepted to the program attend classes through Durham College twice a week and Archbishop Anthony Meagher CCEC three days a week throughout the semester. During that time, they will work to complete their high school graduation requirements and take a college course taught by a Durham College faculty member, supported by a secondary teacher. If successful in the dual credit course, two credits are recorded: one on the high school transcript and the second on the college transcript.
